

Dear Ishizumi 様,

Thank you so much for giving us such a wonderful afternoon last week. Your talk and DVD were extremely well received, as you can see from the email from Mrs Bennett. And many of the other participants spoke to me with similar enthusiasm on the day. We were all fascinated by the information you shared with us and touched by your passion and knowledge. I think people were especially excited to meet somebody truly immersed in the world they were talking about, rather than an academic commenting from the sidelines. Everyone was delighted to have the opportunity to see and handle such a variety of real fans, and the DVD of the manufacturing process was absolutely fascinating. All in all it was a most memorable afternoon.

With many thanks and best wishes,

Clare
